If you are undecided on what to purchase or find you don't have the time to go to the store let Barb Barthel know and she will be glad to make the purchase for you. Your support is appreciated.

Rafiki Update...The school year is about to begin and the kids are anxious to start their studies. They are dedicated students, and want to do the best that they can. Even with their developing language skills they strive to get A's. We need tutors this year to help them achieve their goals. Five of them will be in high school, and this means they will have different classes and needs. Please consider spending even one evening working with some of them. It is very rewarding, and they are most grateful for the help you give. You do NOT have to be a teacher, as they mainly need help with tasks related to language (reading & writing.) If you are willing to give it a try, call Diana at 262-366-5497

Father in heaven, for Jesus' sake, send your Holy Spirit upon all your servants, especially those who are included in Galilee's chain-of-prayers; drive away all sickness of body and spirit; make whole that which is broken; deliver them from the power of evil; and preserve them in true faith, to share in the power of Christ's resurrection and to serve you with all the saints now and evermore.
