Sunday School Needs You! Where did the summer go? Rally Day is right around the corner and Sunday School is following right behind. This means we are still in need of leaders and shepherds for our Sunday School classes. Do you think you could help? It is an easy commitment and it is SO important. Contact Kate Mattson for details. youthdirector@galileelc.org or 262-291-2380.

The suitcase for medical supplies and toothbrushes for the Greater Milwaukee Synod **El Salvador Mission of Healing and Wellness** will remain in the Narthex during August. Thank you so much for the items already collected. The need for toothbrushes and artificial tears is mentioned in the August Galilean article. Also of great need are prenatal vitamins and regular adult vitamins-no iron. Slips are on the table in the Narthex by the suitcase that lists all of the items being collected for the Mission. Again, if you are undecided on what to purchase or find you don't have the time to go to the store let Barb Barthel know and she will be glad to make the purchase for you. Thank you again for your support.

If you're thinking of attending college, come to the **Lutheran College Fair** on Sunday, August 29 from 2-4:00pm in Madison, WI. For every fair you attend you will receive a \$60 *application fee waiver*. See the bulletin board or the downstairs display case for dates and times of other fairs and go to www.lutherancolleges.org for even more info.

Rafiki Update...The school year is about to begin and the kids are anxious to start their studies. They are dedicated students, and want to do the best that they can. Even with their developing language skills they strive to get A's. We need tutors this year to help them achieve their goals. Five of them will be in high school, and this means they will have different classes and needs. Please consider spending even one evening working with some of them. It is very rewarding, and they are most grateful for the help you give. You do NOT have to be a teacher, as they mainly need help with tasks related to language (reading & writing). If you are willing to give it a try, call Diana at 366-5497

The **Robert Braunschweig Memorial Blood Drive** on August 25th was a BIG success! There were 44 units of blood donated to be used in southeastern Wisconsin. Kudos to all who donated, helped with calling, provided and served treats, and all the youth who helped with set-up and tear-down. Galilee has been a good neighbor to the community.

Where are you? We are updating our office records to provide a current Discipleship Directory. Please fill out one of the bright yellow cards available in the narthex or coming in the September Galilean. *College students*, this means you too. We need to have your school address so we can keep in touch. Remember, there is a great college care package waiting in the wings. *Snow Birds*, let us know the months you will be away enjoying warmer weather.
